**A TRADITIONAL POLISH EASTER BASKET - Butter** - This dairy product is often shaped into a lamb or a cross. This reminds us of the good will of Christ that we should have towards all things. **Easter Bread** - A round or long loaf topped with a cross or a fish, symbolic of Jesus, who is the Bread of Life. **Horseradish** - Symbolic of the Passion of Christ still in our minds. **Eggs decorated with symbols of Easter, of life, of prosperity** - Indicates new life and Christ’s Resurrection from the tomb. **Sausage**- A sausage product, symbolic of God’s favor and generosity. **Ham** - Symbolic of great joy and abundance. Some prefer lamb or veal. The lamb also reminds Christians that the Risen Christ is the "Lamb of God." **Smoked Bacon** - A symbol of the overabundance of God’s mercy and generosity. **Salt** - A necessary element in our physical life. Symbolic of prosperity and justice and to remind us that people are the flavor of the earth. **Ser (Cheese)** - Symbolic of the moderation Christians should have at all times. **Candle** - Represents Christ as the Light of the World. **Colorful Ribbons and Sprigs of Greenery** - are attached to the basket as signs of joy and new life in the season of spring and in celebration of the Resurrection. **Linen Cover** - drawn over the top of the basket which is ready for the priest’s visit to the home or the trip to church where it is joined with the baskets of others to await the blessing. The food is then set aside and enjoyed on Easter Sunday.
